

# PROFESSIONAL WRITING CERTIFICATE

A certificate in professional writing is valuable to anyone entering the workforce. Students who want to enhance their job opportunities or wish for a career as a writer in their discipline, should consider a certificate in professional writing to complement their degree. This certificate is interdisciplinary allowing students returning to college to have a chance to develop a wide variety of writing skills while at the same time providing a foundation for active engagement in writing within their chosen field. At the completion of the certificate, students will have a portfolio demonstrating the quality of their writing to show to employers.

Note: Internship courses (394 / 494) may be used to fulfill the "discipline-specific writing intensive" credit requirements as long as the internship is writing-intensive and is approved by the advisor.
