

BUSINESS AND COMMUNICATION BA/BS

Students who want a career at the managerial level in business, with a heavy reliance on effective communication, should consider the Business and Communication major. This joint bachelor's degree program, offered by the Business and Humanities Divisions, provides graduates with the skills needed for success in a business environment. Program requirements and electives provide a strong foundation in both disciplines, culminating in capstone courses selected from either Business or Communication. This degree is for students pursuing careers in corporate communications, marketing, public relations, sales, or media relations. It may be completed online, face-to-face, or a combination of the two.
