

LETTER FROM THE PRESIDENT

Welcome to Lewis-Clark State College!

Our world needs college graduates now more than ever, and we are delighted that you have decided to pursue your educational goals *The Warrior Way*. We know you will find LC State to be a place where our commitment to *connecting learning to life* is truly lived each and every day. From small class sizes, to faculty and staff dedicated to helping prepare you to become successful leaders, responsible citizens and lifelong learners, LC State is a place where you can **Do More** through options and opportunities that range from certificate programs, two-year associate's and four-year bachelor's degrees focused on liberal arts and sciences, professional studies, and career-technical education. We're here to engage you, to challenge you and support you as you embark on one of the most interesting, enlightening, transformative and fun journeys of your life.

Dr. Cynthia Pemberton
