

# LETTER FROM THE PRESIDENT

---

Welcome to Lewis-Clark State College!

Our world needs college graduates now more than ever, and we are delighted that you have decided to pursue your educational goals *The Warrior Way*. We know you will find LC State to be a place where our commitment to *connecting learning to life* and *college to career* are lived each and every day. From small class sizes, to faculty and staff dedicated to helping prepare you to become successful leaders, engaged citizens and lifelong learners, LC State is a place where you can **Do More**. With options and opportunities that range from certificate programs, two-year associate's and four-year bachelor's degrees, career-technical education, as well as graduate programs, we are a small college delivering BIG results! We're here to engage you, to challenge you and support you as you embark on one of the most interesting, enlightening, transformative and fun journeys of your life.

Dr. Cynthia Pemberton
