Although known for the national successes of its baseball program (LCSC has won 18 national championships since 1984, most recently in 2016) it has established a national reputation in its other sports, ranking among the NAIA's top programs nationally in men's and women's basketball, men's and women's tennis, men's and women's cross country, men's and women's track and field (indoor and outdoor) men's and women's golf, and women's volleyball.

LCSC also is proud of the performance of its athletes in academic settings and emphasizes the interrelationship of excellence in academics and athletics.

Intercollegiate athletic teams for men include basketball, baseball, cross country, golf and tennis. Intercollegiate athletic teams for women include basketball, cross country, golf, tennis, track and field, and volleyball.

All student athletes must agree to participate in a mandatory drug education program prior to team involvement and they must meet eligibility standards to represent the College.
