

# BUSINESS MANAGEMENT BA/BS

The Business Management major, offered either online and/or in the classroom, is designed to serve students who wish to develop a broad range of management competencies. The major has particular appeal to students who have completed a Professional-Technical program, transfer students with credit from one or more colleges or universities, or those who have gained occupational competencies from life and work experiences. The degree is a practitioner degree that is a good entry point to management training programs. Students declared as Business Management majors are not authorized to pursue a second baccalaureate degree in Business Administration.

Business Management Program Outcomes:

1. Explain the major concepts in the functional areas of accounting, marketing, finance, and management.
2. Evaluate the legal, social, and economic environments of business.
3. Describe the global environment of business.
4. Describe and explain the ethical obligations and responsibilities of business.
5. Apply decision-support tools to business decision making.
6. Construct and present effective oral and written forms of professional communication.
7. Apply knowledge of business concepts and functions in an integrated manner.
