

# SPORT MANAGEMENT BA/BS

The Sport Management major prepares students to integrate principles relating to business, kinesiology, and health to the administration and management of athletic programs and organizations, fitness and health clubs, sport recreation services, and related activities. The program focuses on planning and development; promotion, marketing, and recruitment; management of events, facilities, and personnel; and financial management principles.

Students in this major must have two advisors: one from the Movement and Sport Sciences Division and one from the Business Division.
