

# WEB DESIGN & SOCIAL MEDIA CERTIFICATE

---

Designed as an enhancement to a Bachelor's degree, this 9-credit certificate will introduce students to the fields of web design, social media, and web-based writing. Students will learn the foundations of web page creation, programming, and management. They will also learn how to create content for websites, blogging, social media, and other applications. Skills learned can be of use and value in personal, business, technological, and/or social applications.
