Reporting to the Vice President for Academic Affairs, the Dean, and the Division Chairs work collaboratively, in partnership with faculty, to offer a wide range of high-quality professional programs to a diverse student body. Students who graduate with a degree from one of the divisions listed above will have completed a cohesive program of study that integrates General Education Core courses, major/minor program requirements, and/or elective credits. Whether a student completes an individualized General Studies or Interdisciplinary Studies degree, or a degree in a professional program, each graduate will have had opportunities to participate in on-campus and on-line classes, in seminars, research symposia, practica/ internships or service learning, second language study, clubs and activities, and other experiences designed to enrich his or her academic career.
