

MIDDLE SCHOOL SCIENCE MINOR

This minor is only available to Teacher Education majors. Students seeking Idaho's Science – Middle Level (Grades 5-9) endorsement with their elementary or secondary certification must take coursework in Biology, Earth Science, and Physical Science that include lab components. Students must also pass the Praxis II exam #5440: Middle School Science. State of Idaho Teacher Certification requirements are subject to change. Students should contact their Education Division advisor to ensure compliance with current certification policies.
