

FOOD & BEVERAGE ITC

Students desiring a Food & Beverage Management Intermediate Technical Certificate for 30 credits through Hospitality Management will receive specific training in culinary management and culinary arts, as well as restaurant and beverage management and their operations. This Intermediate Technical Certification provides professional technical hands-on instruction combined with up-to-date theory provided by some of the leading experts in the industry. The ITC option begins with the “Semester of Exploration” and concludes an additional 15 credits. This program consists of laboratory-based/theory coursework, providing students with the knowledge needed to enter the workforce, enhance their existing position, and **DO MORE**.

Participation in internships is required by all students.

All Intermediate Technical Certifications in the Hospitality Management program can lead to an Advanced Technical Certification(ATC) or an Associate of Applied Science (AAS) in the program.
