The Adult Learning Center provides quality instruction in college and career readiness, reading, writing, math and the English Language to help adults function successfully in the 21st century. Students may enroll in the program at any time and progress at their own rate. Structured classes are offered throughout the year. The Adult Learning Center provides college and GED preparation. GED testing is offered by appointment only. An Adult Learning Center outreach site is also located in Grangeville.

Services

Students of the Adult Learning Center have the opportunity to:

- Improve reading, writing, and/or math skills.
- Prepare for college.
- Learn to speak English (for non-native learners).
- Prepare for citizenship.
- Prepare for and pass the GED and/or High School Equivalency (HSE) Certificate. Subject areas of the GED include: Reasoning through Language Arts, Social Studies, Science, and Mathematical Reasoning.

The Adult Learning Center also offers college preparation classes for students who have scored below current cut-off scores on college entrance exams in the content areas of math, reading, and language. Upon successful completion of transitional math, reading, and language classes, students will advance into credited college classes that work toward satisfying their degree requirements.
