Career & Technical Education offers professional and technical training through a formalized array of educational experiences that will prepare individuals for gainful employment as semi-skilled workers, skilled workers, or technicians in recognized and in new and emerging occupations. It also prepares individuals for enrollment in advanced technical education programs.

Organization

Career & Technical Education provides instruction, training, and degree programs in following departments/divisions. **Business & Computer Science Division:** bookkeeping/accounting, hospitality management and web design & development. **Healthcare Education Center (HEC):** medical administrative assistant, medical assistant, medical laboratory technology, and physical therapist assistant. **Humanities Division:** graphic communications. **Social Sciences Division:** paralegal. **Teacher Education & Mathematics Division:** early childhood development. **Technical and Industrial Division (<https://www.lcsc.edu/ti/>):** auto mechanics, CNC machining, collision repair, computer information technology & security, diesel, engineering, fire service, HVAC-R, industrial electronics, maintenance/millwright, and welding. **Workforce Training** provides education and training opportunities in all areas of industry, allied health, and professional/business technology. The **Adult Learning Center** provides quality instruction in reading, writing, math, and the English Language to help adults transition into college and/or prepare for the GED tests. **Early College Programs** allows high school students to earn competency based technical college credits for their high school technical coursework. Career & Technical Education also offers an Affiliate Program in **Dental Hygiene (<https://www.lcsc.edu/career-technical-education/dental-hygiene/>)** through North Idaho College.
