LCSC provides living accommodations for students in five residence hall environments. The residence halls are relatively small, which contributes to a more personal environment and greater opportunity for campus involvement and lifelong friendships. All facilities have easy access to the Student Union Building, food service facilities, and the Library and are within a short walk to any classroom building on campus. The residence halls are staffed with professional staff and trained student leaders (Resident Assistants). Residence Life staff are trained with the skills necessary to work with students to build a positive community within our halls, to enforce the rules and regulations, and to assist students in their academic and emotional growth.

Application Procedure

1. Print an application form from our website at http://www.lcsc.edu/residence-life or request housing information from the Office of Residence Life, Talkington Hall Basement, 208-792-2053, or reslife@lcsc.edu.
2. Return the completed Application & License Agreement, with your $200 deposit, to the Controller’s Office.

Room and Board

Room and board rates are charged to the student’s account on a semester basis, although the commitment is for the full academic year. A $25 residence hall activity fee is charged per semester. Contracting for a room in one of the residence halls may require that a student purchase a meal plan. New students are placed in available spaces in the order that the College receives the License Agreement and the $200 deposit. The License Agreement, by itself, will not hold a room for a student.

Upon receipt of the License Agreement and the $200 deposit, the student will be informed of his/her status in relation to available rooms. Only a limited number of rooms are available each year. If more License Agreements are received than the number of available rooms, students will be placed on a waiting list.

Room and Board Rates, Academic Year Contract

Please check our website for the most up to date pricing for residence hall rooms and meal plan information. For more information on financial policies as they relate to room and board payments and/or cancellations, please see the License Agreement.

Students choose from three meal plans as part of their room and board fixed rate. Choice of meal plans may include a breakfast (weekdays), brunch (weekends) and dinner meal every day. Students may use flex dollars to purchase snacks, beverages and meals not covered under their plan at all dining facilities on campus, including at concession stands during athletic and special campus events.

Academic Year

All License Agreements are for the entire academic year; students must reside on campus during both Fall and Spring semesters. The only exceptions to this policy are if a student is no longer an LCSC student for Spring semester, is newly married before Spring semester begins, or is called for active duty in the military.

Off-Campus Rentals

A very limited number of College owned off-campus houses and apartments are available for students/student families. Students may request an application for off-campus housing by calling 208-792-2053 or via e-mail at reslife@lcsc.edu. Vacancies are filled on a first-come, first-served basis from the off-campus housing waiting list.

Residence Life also maintains a listing of off-campus listings as a courtesy to students. This information is not verified and both renters and rentees are cautioned to use common sense when communicating and renting to and from strangers. http://www.lcsc.edu/residence-life/off-campus-rentals/
