## Institutional Development Grant

Each fall and spring semester, faculty and staff may apply for grant monies to assist student groups with special projects and/or travel. A portion of student fees is allocated to the category of Institutional Development and is used to augment selected educational activities. These funds are to be used solely to enhance the educational experience of students enrolled in any LC State program and are awarded through an internal competitive grant application process. A committee comprised of student leaders determines which projects are funded. For more information visit [www.lcsc.edu/institutional-development-grant](http://www.lcsc.edu/institutional-development-grant) (<http://www.lcsc.edu/institutional-development-grant/>).

## New Student Orientation

New Student Orientation is a required program for all new, degree-seeking students. At New Student Orientation, students are provided with information about key campus services. Students are also introduced to faculty members who teach in their intended major. Family and friends are treated to special sessions in which they are advised about creating a strong personal support system with and for the new students. For more information visit [www.lcsc.edu/orientation](http://www.lcsc.edu/orientation) (<http://www.lcsc.edu/orientation/>). In addition to New Student Orientation, first-time, full-time students enroll in SD107: First Year Foundations, a course designed to support their transition to college life at LC State.

## The Moss Family Fund

The Moss Family Fund is designated in honor of the late Oma and Van L. Moss. Mrs. Moss was employed by the college for twenty-three years and Mr. Moss was a former faculty member. The Moss Fund program is for students with an emergency/crisis. The temporary loan is available for up to \$75 with a time limit for repayment of one month. When requesting a loan, the student will sign a repayment agreement. As long as the student is in compliance with repayment he/she may receive a new loan. Loan request forms must be approved by the Vice President for Student Affairs or his/her designee. Loans are available to current degree-seeking students only.

## The Rose Ann Hopkins Trust

The Rose Ann Hopkins Trust of Lewiston, Idaho, the LC State Foundation, and LC State have established a fund in support of student loans/scholarships. This fund is used to fund educational loans and scholarships in the name of the Settlor, Rose Ann Perott Hopkins, class of 1935. Loans are available for up to \$250 with a time limit for repayment of one month. Loan request forms must be approved by the Vice President for Student Affairs or his/her designee. Loans are available to current degree-seeking students only.

## Student Affairs Emergency Fund

Established in 2020, this fund provides eligible students with assistance in resolving financial issues that would otherwise impact their ability to remain enrolled at LC State. Prior to completing a loan request form, students should contact the Financial Aid office to determine their eligibility for this loan. If referred by Financial Aid, loan request forms must be approved by the Vice President for Student Affairs or his/her designee. Loans are available to current degree-seeking students only.

This policy applies to all programs, services, and facilities, including applications, admissions, and employment. Adapted from Policy 3.105 (<https://www.lcsc.edu/policies/>).

## Title IX

Title IX is reviewed, updated, and published annually. The most up-to-date version is published in Policy 3.110 at <https://www.lcsc.edu/policies/>.

## Academic Affairs

Students have responsibility for selecting a major field of study, for choosing an appropriate degree program within the discipline, for planning class schedules, and ultimately for meeting the requirements for their degrees. The college will provide advisors to assist students in academic planning, but students are responsible for obtaining copies of appropriate academic bulletins and being thoroughly familiar with all academic requirements, which must be met for a degree. To meet the college's mission, it is expected that students will be active, engaged, and collaborative learners, who fully respect the rights of other members of the college community, who participate in educational opportunities in the classroom and beyond, and who take advantage of opportunities to learn with and from others.

There are several statements of expectations to guide students in becoming successful students. The catalog has one such statement. Students will find additional guidance from programs of study program and in classroom materials.

Students have the right to have college classes conducted under the following provisions:

- Faculty will clearly post course outcomes/goals, grading criteria, assignment due dates, and exam dates in the course syllabus, which should be in alignment with the course intention (or purpose) and academic level.
- Faculty will plan and regulate class time with an awareness of its value for every student.
- Faculty will be available to students and will announce and maintain regular office hours.
- Faculty will strive to generate respect and understanding for academic freedom by students.
- Faculty will strive to create an environment in which students may raise relevant issues, doubts, or alternative opinions during classroom discussion, without concern for academic sanctions.
- Faculty will be sensitive to students' personal or political beliefs expressed in a private manner in connection with coursework.
- Faculty will protect student information, such as grades and class standing, in accordance with FERPA.

## Student Rights and Responsibilities

Students have the right to a clear statement of their basic rights, responsibilities and Student Code of Conduct. They have the right to assist in formulating college policy by representation on various college committees. Students also have the right to be represented by a student government.

For more information on other student rights and responsibilities visit <https://www.lcsc.edu/student-affairs/student-rights-responsibilities> (<https://www.lcsc.edu/student-affairs/student-rights-responsibilities/>).

1. Students may form, join, and participate in groups which promote the common intellectual, religious, social, economic, political, recreational or cultural life of campus. The college believes group activities to be a positive educational vehicle and recognizes the right of student groups to discuss, express opinions, to assemble, write, and publish within state and federal constitutional guarantees and laws.
2. A student group may be authorized to use college facilities if its officers and a majority of its members are currently enrolled at LC State.
3. Students and student groups are free to engage in peaceful and orderly protests and demonstrations which do not disrupt functions of the college, subject to reasonable assumptions concerning time, place, and manner. In all cases the educational purpose and process of the college must not be disrupted by protests and demonstrations.
4. Students who publish student publications under college auspices have the right to be free from unlawful censorship. However, students who publish such documents must observe the recognized canons of responsible journalism, including the avoidance of libel, indecency, undocumented allegations, attacks on personal integrity, and the techniques of harassment and innuendo. Student editors and managers may be removed for good cause as determined by LC State's Communications Board. Good cause is defined as violations of college policies, acts that jeopardize the financial or reputational health of student media, or failing to follow the direction of the Communications Board.
5. Students who publish student publications which are not sponsored or financially supported by the college may distribute the publications to students on college property subject to reasonable assumptions concerning time, place, and manner of distribution.

## Student Right-To-Know

The Student Right to Know Act requires institutions receiving Title IV funding disclose certain information, including institutional graduation rates, athlete graduation rates, financial assistance awarded, and crime statistics. Specific guidelines exist as to the method and timing for reporting and disclosure to potential students, current students and employees. Institutions are required to provide enrolled students a list of the information to which the students are entitled upon request. The Higher Education Act (HEA) specifically requires that institutions provide the list annually to all enrolled students. The data can be accessed from the Consumer Information web page at [www.lcsc.edu/consumer-information](http://www.lcsc.edu/consumer-information) (<http://www.lcsc.edu/consumer-information/>).

## Drug-Free Schools and Campuses Act

LC State maintains an ongoing substance abuse prevention program that currently consists of educational, early intervention, enforcement, and environmental strategies in compliance with the Education Department General Administrative Regulations (EDGAR) Part 86 mandate to provide an "alcohol and other drug" (AOD) prevention program to the campus community. In addition, the college publishes a biennial report that includes an assessment of its AOD prevention programs as well as institutional data on AOD policy violations. The data can be accessed from the Consumer Information web page at [www.lcsc.edu/consumer-information](http://www.lcsc.edu/consumer-information) (<http://www.lcsc.edu/consumer-information/>).

## Student Grievance

Students have the right to file formal complaints or grievances about any aspect of their experiences at LC State. The Vice President for Student Affairs shall be the primary point-of-contact for all LC State students who wish to file a grievance or otherwise share concerns about the college. Grievances may be filed with the Vice President for Student Affairs either in person, in writing or electronically at [https://lcsc.co1.qualtrics.com/jfe/form/SV\\_7NAeBGP8jmcJAN](https://lcsc.co1.qualtrics.com/jfe/form/SV_7NAeBGP8jmcJAN) ([https://lcsc.co1.qualtrics.com/jfe/form/SV\\_7NAeBGP8jmcJAN/](https://lcsc.co1.qualtrics.com/jfe/form/SV_7NAeBGP8jmcJAN/)). Once a complaint is received it will be reviewed by the Vice President to determine the nature of the grievance and appropriate office to assist the student with resolving the grievance.

The student disciplinary procedures are reviewed, updated, and published annually in the Student Handbook. The most up-to-date version is published on the Student Affairs (<https://www.lcsc.edu/student-affairs/>) (<http://www.lcsc.edu/student-affairs/student-code-of-conduct/>) website under the Student Code of Conduct (<https://www.lcsc.edu/student-affairs/student-code-of-conduct/>).
