Overview

Student Health Services has been a vital service for students over the years. LC State has partnered with Gritman Medical Center (<https://www.gritman.org/>) to provide high quality and affordable health services, allowing students access to an expanded range of quality health specialties and services as needed. All students are eligible to seek care at Student Health Services.

- Medical care of acute problems
- Management of chronic medical problems
- Preventative health visits
- Vaccinations
- Wellness education
- Cancer screenings appropriate for age and risk factors
- Testing, immunizations
- Sports physicals
- Laboratory services
- Care for pre-existing conditions & physical exams

If you require more specialized care, your clinician may refer you to a specialist in the local community for further evaluation and treatment.

Fees

Students accessing services through the Student Health Services clinic work directly with the Gritman Medical Center, Patient Financial Services (<https://www.gritman.org/patients-visitors/billing-information/>) office for questions regarding billing and fees, accepted insurance plans and for services rendered. You can also contact the billing office by phone at 208-883-2224.
