The Student Success Center is open to all registered LC State students. We provide personal, academic, and professional support. All of our tutors are currently enrolled LC State students and are here to support you, whatever your needs may be. Whether you need academic tutoring, time management skills, test taking strategies, or just personal accountability, we are here to help. We also provide free access to computers, printing, student supplies, lab equipment, coffee, tea and snacks. Please visit our website for our hours of operation and specific tutor availability. No appointments necessary.

The Warrior Pantry is an on-campus food pantry serving all Warriors, including students, faculty, and staff. A Warrior ID number is required. We average nearly 1,000 visitors per month, so please do not be shy about visiting. Many of your classmates already take advantage of this service. If you are need of food for the week, or just a quick snack, come check out our supplies. We usually carry snacks, staples like rice, noodles, potatoes, or bread, and occasionally have milk, produce, eggs, and meat. We also try to have non-food items like paper towels, toilet paper, and hygiene products available. Item availability changes every week, so check us out regularly.
