# ACADEMIC CERTIFICATES

Students may earn an academic certificate while pursuing an Associate or Baccalaureate degree at LC State. The academic certificate will be awarded upon completion of the earned degree. If degree requirements are not met, the student will not earn an academic certificate.

Non-degree-seeking students may opt to complete an academic certificate as a stand-alone credential if they have completed the required course pre-requisites. Federal financial aid is not available for students seeking a stand-alone academic certificate.
